(U) Tanzania is unable to send from capital instructions concerning the draft UN Security Council resolution on Lebanon on August 6, Ambassador Liberata Mulamula, Director of the Ministry of Foreign Affairs' Multilateral Division, told Poloff the morning of August 6. However, Mulamula stressed that the draft text contains important elements, including those which Tanzania has been emphasizing: the cessation of hostilities; a ceasefire; an international force to act as a separation force under a ceasefire; and implementation of resolution 1559. Mulamula said that the Minister of Foreign Affairs, Dr. Asha-Rose Migiro, is involved in the review of the draft text and Mulamula set a meeting with Poloff for the morning of August 7.
